PRACTISING EXPERIENCE

Advise several domestic and foreign enterprises, state-owned enterprises, NGOs and other organizations and individuals on various legal issues in many fields, specifically:

Dispute Resolution

- Advise on and protecting clients' lawful rights and interests in disputes relating to construction contracts for energy projects and other construction projects, insurance contracts, sale of goods contracts, and other commercial agreements before arbitral tribunals and courts.

Transaction

- Advise on construction, insurance, sale of goods, and service contracts; as well as transactions relating to intellectual property, real estate, and other civil matters

Intellectual Property

- Advise on the protection of clients' intellectual property rights; assist with intellectual property procedures before the Intellectual Property Office and other relevant competent authorities, including domestic and international trademark registration and protection; protect rights holders against acts of intellectual property infringement (including copyright and related rights infringement, trademark infringement, unfair competition, etc.)

Corporate Matter

- Advise on internal governance and corporate operations, including matters relating to contract review, standardization of legal documents and internal regulations, review of and advice on business conditions, compliance control for corporates including compliance with personal data protection regulations within corporate operations.

Employment

- Review and advise on employment contracts, internal labor regulations, and other documents relating to the company's human resources and labor management; advising on labor discipline issues and the rights and obligations of parties in labor relations
