PRACTISING EXPERIENCE

Participating in supporting other lawyers in advising various domestic and foreign enterprises, state-owned corporations, as well as other organizations and individuals on a wide range of legal matters across multiple practice areas. Below are some typical consulting activities:

- Conducting regular legal impact assessments for a Vietnamese enterprise operating in the electricity field.
- Assisting in providing legal support to address legal issues relating to power plant projects.
- Supporting lawyers in reviewing and advising on legal matters relating to premises lease agreements.
- Supporting lawyers in dispute resolution advisory work across various areas, including energy disputes, premises lease disputes, and other disputes.
- Assisting in reviewing, assessing, and drafting internal corporate regulations.
- Drafting documents relating to enterprise registration, changes to enterprise registration information, establishment of business locations, and other documents relating to corporate operations.
- Assisting in advising on legal matters relating to the registration of internal labour regulations, termination of employment contracts, and other labour-related matters.
